December's Value of the month – Politeness

Merry Christmas everybody! What a wonderful December we are having here at Messingham already, with even more exciting things yet to come.

Our value for this month is Politeness! We are overjoyed to hear so many children using their manners by saying please and thank you, whether it is in class, at lunchtime or at playtimes. We are learning about how we can act in a polite way by listening to others, waiting patiently, looking out for others and being the best versions of ourselves.

It has been amazing to hear about so many children showing their values in the community! This includes crafting to raise money for children less fortunate than themselves, raising money for local groups and clubs through charity runs, bag packing and carol singing as well as getting involved in village fundraisers such as the Living Advent Calendar. Well done to all the children (and parents) involved in these – we are so proud of you for being such kind, thoughtful and selfless humans! You are incredible!

1/2W have had their class coffee morning already which was a huge success. The children sang a beautiful song, shared this year's values with their grown ups and joined in activities based on these values. It was wonderful to see so many parents and grandparents join us – thank you so much for taking the time and for coming in to share our values with us!

We are really looking forward to 1/2L's Coffee Morning on Thursday 25th January 2024.

December politeness challenge :

- Say Good Morning to somebody in a morning! This could be a parent, a friend, your teacher or the person serving you in a shop
- Thank anybody who may send you a card or present
- Remember to say 'please' when asking for something during Christmas dinner
- Show your appreciation for people you spend time with over the school holidays

Please find a reminder of the coffee morning dates for rest of the year. All will begin at 9:15am.
